Sub: Rate Analysis for transportation of waste materials to size

Dear Madam,

As discussed through the group, I would like to submit herwith a rate analysis for the transportation of construction of waste materials to Maymaylakha, above Simtokha, a designated place for Thimphu Thromde to dump the waste materials. The details are indicated as follows:

Particulars	Unit (in Cum)	Rate/Cum	Total Amount
Tripper Truck	10 CuM	500	5,000.00
		Total	5000.00

In this regard, I would like to submit for the approval of the amount to transport the waste materials. It has become imperative to clear the site for execution of other works.

Thanking you

Yours faithfully,

(Chador Wangdi)
