Subject: **Requesting a laptop.**

I would like to submit for your kind consideration that my desktop was experiencing significant lag and was unable to perform tasks as usual. Upon consultation with the ICT Division, it was found that a hardware component required replacement.

Accordingly, the ICT Division replaced the MZ.SSD 256 last year 2024.However, the problem has been restarted. It is taking more than an hour to start my desktop and it is delaying my day to day work.

Therefore, I would like a request for a new laptop as it will be convenient for me to work from home even after office hours. Moreover all virtual meetings were scheduled after 5.30pm, So that I can attend from home.

The budget for purchase for one laptop has been requested to the ICT Division for FY 2025 to be kept for POD.

This is submitted for your kind approval la.
